Firmware Update Instructions

Note:

This folder contains OEM7 GNSS card firmware version 7.08.14.

Firmware 7.08.14 can be loaded on OEM7 series GNSS receiver cards only.

Update Procedure:

NovAtel Application Suite (NAS):

1. To update the OEM7 receiver using NAS, first unzip the firmware folder.
2. Open NAS and establish a connection to the receiver using any port.

The latest version of NAS is available on the [NovAtel Support site](http://novatel.com/support).

For more information, please see the video on how to load firmware in the [NovAtel Support Videos](http://novatel.com/support/videos).
